

Welcome

We look forward to welcoming you to Dunscore Church.

If you are looking for a wedding venue, we would love to show you how we can help you to create a very special wedding ceremony in our lovely church.

The building has been fully renovated and, while it retains all its 200 year old charm, it now has much improved comfort, flexibility and accessibility.

The pews have been replaced with chairs that are both comfortable and can be arranged to suit your requirements.

The church is now bright, airy, warm and welcoming. Please call us to arrange a visit.

A church for your wedding

We want you to have a beautiful and memorable wedding ceremony.

Our minister would be delighted to talk to you about taking the wedding ceremony. He is happy to work with you to ensure that the wedding is appropriate for you. It is also possible for you to use your own minister, priest or celebrant.

Whilst the church is a Christian place of worship and we encourage couples to consider a Christian wedding, we are open to civil ceremonies being carried out in Dunscore Church.

We will do our best to ensure that the ceremony is a wonderful occasion for you, for your families and for all your guests.

A church for your guests

Our church is easy to find in the small village of Dunscore not far from Dumfries.

The church is in a prominent position in the village and, as the guests leave their cars in the church car park, they will enjoy one of the best views in the region.

There is plenty of parking in the car park and the village and access is just a few paces to the church with no steps from the car park or into the church.

The seating is spacious and comfortable and the heating system has been renewed. There are good toilet facilities with access for the less able-bodied and those in wheelchairs.

Facilities

The church has flexible seating for around 120 people downstairs with a similar number in pews in the balcony. Chairs downstairs can be set out as you choose.

There is a sound system including microphones for the minister / celebrant and others. There is an organ or your music choice can be played through the speakers and there is also a hearing “loop” for those with hearing difficulties.

There are projectors with retractable screens where photos or videos and words of hymns can be displayed.

There is a room at the rear of the church where your family could gather before the ceremony or for signing the register.

Location and Contacts

Dunscore Church is in Dunscore village approximately 10 miles North West of Dumfries.

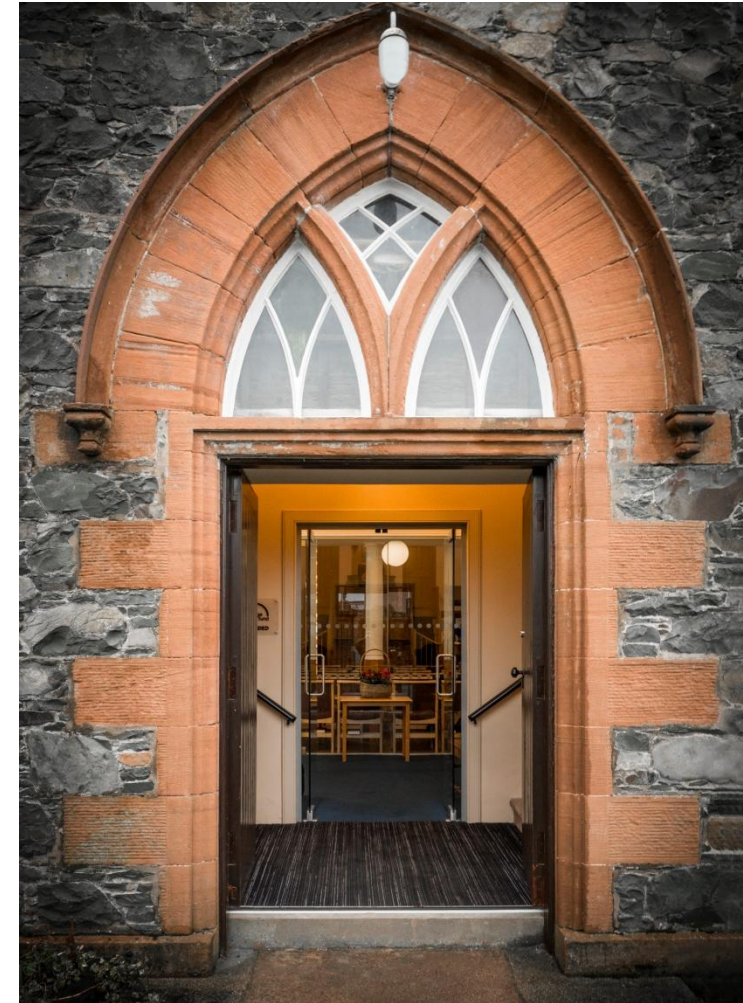

The church is a short drive from several wedding reception venues including Friars Carse Country House Hotel, Trigony Hotel and the Woodlands House Hotel. For a smaller wedding you could hold your reception in the Dunscore village hall, a few steps from the church.

For more information about Dunscore Church please contact the minister or session clerk. You will find their contact details on the Dunscore Church website:
