St Ninian's Moniaive -This Sunday (25th) we will celebrate Moniaive Gala with a Café Church at St Ninian's from 10am.

It will be less formal than most Sundays and you can make a cuppa at your table whilst singing and crafting along! Book with Nan Tait on 01848 200403 so we know you're coming – we can now seat 30 inside the church. Distancing is down to 1metre – just over arms' length – but masks are still required. Why not invite someone from your 'bubble' or household to join us?

The theme for North Street, Moniaive is "The Circus comes to town" and the congregation display is "The Greatest Show Story on Earth". This is what we celebrate each week (not just for Gala) as we meet in praise and prayer whether in church or via live-streaming on YouTube (CairnValley Churches channel). Have you subscribed yet? It's FREE! And there are plenty of resources there to help, encourage, and edify.

Join the Celebration – see you there.

God Bless & elbow bumps,

Mark

PRAYER for the summer: *Lord Jesus, You walked on earth at a time of upheaval and change,
give us the patience, the faith, and the wisdom we need
to walk in Your Way through this stage of the pandemic.
Show us what lessons You have for us
and guide our forward steps over this summer
so that we can better reflect You in our lives
and better show You to others.*

PRAYER THEME – Thank Jesus that you can rely on Him whatever you face.

Next Sunday:

10am – **Morning Worship** at St Ninian's Church

from 11.40am – **Morning Worship** 'live' on CairnValley Churches YouTube channel

11.45am – **Morning Worship** in Dunscore Church

ECO SNIPPET - The spring is sprung. (A repeat from last week but just as valid!)

The mineral water in my shop has a label telling me it is from a 3000 year old source. The "best before" date is two years hence. If the water has been in the acquifer for 3000 years (probably longer).....why should it go off in a sealed plastic bottle?

The answer is in that dreaded word...plastic. During the process of making the plastic, traces of catalyst or plasticiser , which may include antimony, remain in the plastic and are leached out into the water over time.

Let`s all renew our efforts to reduce the use of plastic. President Obama said " We need change....and yes we can "

First Base Food Bank: Please remember to support this excellent charity. It is still hard for many folk living on little income. I know that many of you give through 'Just Giving' online www.justgiving.com/first-base but as an alternative, Mark Frankland would be delighted to receive cheques to 'The First Base Food Agency', 6 Buccleuch Street, Dumfries DG1 2NH.
