A Message from our Minister

Last week we thought about a picnic where the crowd were not prepared. Today we think about a boat trip which frightened the experienced sailors!

I'll be ready ... will you?

As the old chorus reminds us: "With Christ in the vessel, you can smile at the storm."

Whether you are an ever-ready scout, a Swiss-army knife carrier, believe there's an app for that, or an empty-pocket kind of traveller through life, we can all be thrown by the storms that come our way.

We need to know where to turn, who we can rely on in a crisis. Jesus told His Disciples that the Kingdom of God was at hand, promising to be with them always.

Nothing will stop Him being with you when you need Him. But why wait for disaster to strike? Why not ask Him to be with you just-in-case! With you day by day as you sail the choppy waters of life.

"With Christ in the vessel, you can smile at the storm."

Join us to invite Him aboard,

God Bless,

Mark

Weekly Prayer

Lord Jesus,
thank You for being with us every day on the journey through life.
Lord Jesus,
thank You for guiding us when life's stormy seas are rough.
Lord Jesus,
thank You for easing our unrest and healing our brokenness.
Lord Jesus,
we put our trust in You and invite You into our life.

Prayer Theme: Thank God for Jesus, your Saviour and Friend, who wants to be with you in every situation.

Eco Snippet

Make your home a cool haven:

Open windows at night – cool drafts keep air fresh and help disperse heat built up during the day. Close curtains and blinds on sunny sides of the house during the day.

Close windows as soon as the air outside is no longer cooler than inside. In the evening, open windows and doors, starting on the shady sides and from the downstairs up.
