A Message from our Minister:

Today is Bible Sunday, when we remember the importance of the written Word of God to us today. Not just a dusty old tome, but a living and active scripture.

How often have you heard a familiar reading and found something new in it?

How often does a treasured text pop into your mind at a time of trouble?

How often do you reflect on what the Bible tells us about God, about yourself, about your relationship with God?

The Bible is, quite literally, inspired by The Holy Spirit! He prompted people to write down their experiences of God. He guided the thoughts of those who wrote things down. He inspired those who wrote and recorded poems and psalms and wisdom. He lives in every word as we seek God in those passages and verses.

The Bible is more than just a collection of books, more than the sum of its parts. The Word of God has power to change lives! It is the most radical book ever written. It is the most dangerous book ever written. It is as relevant and challenging today as it always has been. No wonder it is a best-seller!

Join us to hear about how it can make a difference to you!

God Bless, Mark

Prayer Theme: Ask the Holy Spirit to help you find the Inspired Word of God as you read the Bible.

Prayer for the Week:

Almighty God, Divine Author, thank You for Your written Word to guide us.

Jesus Christ, Living Word, thank You for Your life and example.

Holy Spirit, Inspiring Voice, thank You for Your targeted guidance as we read.

Holy Trinity, thank You for Your presence in Scripture.

Amen

Eco Snippet

The Eco Snippets this month have been looking at changes that we can all make that, together, can add up. One that can, arguably, make the biggest difference is investments and, in particular, pensions. Many of us have significant amounts of money in a pension pot. How is that being invested? Do you know if it is in companies that, for example, consider the environment, pay their taxes and ensure workers rights? You might be surprised how your money is being used (or misused). You can find out and you can move it or, at the very least, why not ask the question of the fund manager where your money is being invested?

CHURCH FAMILY NOTICES: If you have anything that you would like to be included in next week's CFNs please send it to Matthew at matthew.aitken@posteo.net by noon on Thursday. Please let Colin or Mark know if you are willing to join the CFN rota.
